THEOLOGOS

INSTITUTE FOR CHRISTIAN COUNSELLING

Theologos Institute for Christian Counselling is a ministry of Oasis Christian Church in Kempton Park. Dr Sarel van der Merwe is the senior pastor of the church and his wife Thiesa is the principal of Theologos.

OUR MISSION

Our mission, based on what we believe God has told us:
"Heal my people (my Church) to enable my healed Church to touch the broken world."

This missionary statement is well represented by Isaiah 61:1
"The Lord has anointed me to bring good news to the suffering and afflicted. He has sent me to comfort the broken-hearted, to announce liberty to captives and to open the eyes of the blind." (Living Bible)

What are the benefits of studying at Theologos?

- You not only receive practical knowledge, but also healing for your spirit, soul and body.
- The anointing for healing and deliverance that God placed on this ministry will be transferred to you for your own ministry.
- We make use of Spirit filled lecturers.
- The lecturers are specialists in their field of study.
- All courses are in the form of CD's, Videos or DVD's with an accompanying manual.
- Prescribed books are carefully chosen to broaden your knowledge and insight within every study field.
- Our courses are Biblically based and teach you to minister effectively to others.

We train:

- Christian Counsellors for local churches;
- Effective cell leaders.
- Pastoral leaders to minister effectively to the needs of people in the area of their spirit, soul, bodies, relationships and finance.

ACCREDITING LEARNING INSTITUTIONS

Both these accredited learning institutions are accredited with the Accrediting Commission International (ACI) which is the largest non-governmental Christian accrediting Institute in the USA. Theologos Institute for Christian Counselling is not accredited with the South African Qualifications Authority (SAQA). Although some local South African universities and other learning institutions may accept our courses, there is no guarantee that this will always be the case.
